8. DISCUSSION/PRESENTATIONS

8.1 Proclamation – United Way Everyday Strong

The mayor will proclaim that the city of Vineyard is designated as and commits to be an Everyday Strong City.

Mayor Fullmer read the proclamation. Councilmember Judd asked about specifics on how the city could implement the program. Mayor Fullmer said staff had more information about the training and how council can support it.

9. BUSINESS ITEMS

9.1 DISCUSSION AND ACTION – **Zoning Text Amendment (ZTA) for 15.48 Signs Ordinance 2021-08** *(This item was continued from the August 11, 2021 City Council meeting.)* City Planner Briam Amaya Perez is recommending amendments to ZTA 15.48 to modify wall and monument sign standards. The mayor and City Council will act to adopt (or deny) this request by ordinance.

Mr. Amaya Perez presented the proposed changes and showed examples of how the changes would affect how signs would look. He stated that these changes would give businesses a good range of sizes with their signs.

After a discussion, staff and city council agreed that they wanted to add flexibility for businesses to request to reallocate the square footage of a sign from another elevation and that they would add that wording to the ordinance.

Mayor Fullmer called for a motion.

Motion: COUNCILMEMBER JUDD MOVED TO CONTINUE THIS ITEM. COUNCILMEMBER EARNEST SECONDED THE MOTION. ROLL CALL WENT AS FOLLOWS: MAYOR FULLMER, COUNCILMEMBERS EARNEST, FLAKE, JUDD, AND WELSH VOTED AYE. THE MOTION CARRIED UNANIMOUSLY.

9.2 PUBLIC HEARING – Zoning Text Amendment (ZTA) for amendments to the Subdivision Code sections 14.060.020 and 14.08.030 (Ordinance 2021-11)

City Planner Briam Amaya Perez is recommending amendments to the Vineyard Subdivision Code Sections 14.06.020 'Requirements for Preliminary Subdivision Applications' and 14.08.030 'Requirements for Final Subdivision Applications', to reflect the correct and appropriate required signatures for subdivision plats. The mayor and City Council will act to adopt (or deny) this request by ordinance.

Due to technical difficulties, this item was discussed before 9.1.

Mayor Fullmer called for a motion to open the public hearing.

Motion: COUNCILMEMBER EARNEST MOVED TO OPEN THE PUBLIC HEARING AT 6:20 PM. COUNCILMEMBER JUDD SECONDED THE MOTION. MAYOR FULLMER, COUNCILMEMBERS EARNEST, FLAKE, JUDD, AND WELSH VOTED AYE. THE MOTION CARRIED UNANIMOUSLY.

DRAFT

Mr. Amaya Perez explained that the change was to bring it in line with state code and that the people who needed to sign the plats were the city engineer, city planner, and the city manager reflecting the will of the legislative body. In discussing this with City Attorney Jayme Blakesley, he had indicated that the city attorney's signature needed to be on the plats as well, requiring that to be added to the ordinance and the motion.

There was a discussion about the signatures on the plats.

Motion: COUNCILMEMBER JUDD MOVED TO CLOSE THE PUBLIC HEARING AT 6:23 PM. COUNCILMEMBER WELSH SECONDED THE MOTION. MAYOR FULLMER, COUNCILMEMBERS EARNEST, FLAKE, JUDD, AND WELSH VOTED AYE. THE MOTION CARRIED UNANIMOUSLY.

Motion: COUNCILMEMBER JUDD MOVED TO RECOMMEND APPROVAL OF THE PROPOSED SUBDIVISION CODE TEXT AMENDMENT ORDINANCE 2021-11 TO INCLUDE THE CITY ATTORNEY AS ALSO A SIGNER ON THE MYLAR SUBDIVISION PLATS. COUNCILMEMBER WELSH SECONDED THE MOTION. ROLL CALL WENT AS FOLLOWS: MAYOR FULLMER, COUNCILMEMBERS EARNEST, FLAKE, JUDD, AND WELSH VOTED AYE. THE MOTION CARRIED UNANIMOUSLY.

9.3 DISCUSSION AND ACTION – **Discussion about American Rescue Plan (ARP) Funding and State COVID Local Assistance Matching Grant Program**

City Manager Jacob McHargue will lead a discussion about these funding programs and possible projects.

Mayor Fullmer explained that the grant program offered 50 million dollars which would be divided between 29 counties. The city could request funds if they fit into the following categories: water and sewer, housing, broadband, public health impact, economic opportunities, and development. She presented projects from here in Vineyard which would fit under those categories. The deadline to request funding was September 14th. She asked the council for input on what would be the best approach.

A discussion ensued about the different options and working with neighboring cities and other entities such as Timpanogos Special Services District (TSSD) and Utah Valley University (UVU) to possibly come up with joint proposals.

Council decided to have staff work with other entities and to have a presentation at the next city council meeting.

9.4 DISCUSSION – **School Crossing Study and Update**

City Engineer Naseem Ghandour is recommending that a School Zone study be accomplished on all public schools within Vineyard City limits, to include Trailside Elementary, Vineyard Elementary, Freedom Prep Academy, and Franklin Discovery Academy. This study will determine requirements and recommendations such as reduced speed zones, school crossings, traffic control devices (e.g., stop signs, warning signs). This study is recommended due to the population growth of Vineyard from new residential developments and change of school boundaries. The estimated cost of the study would be $20,000.

DRAFT

Mr. Ghandour presented his proposal to do a school crossing study due to concerns at the new Trailside Elementary School as well as the other schools. He saw the need to review the school zones at all of the schools because of the growth, changes, and things that may have been missed.

A discussion ensued about specific concerns at the different schools in Vineyard. Mr. Ghandour emphasized that this study would be about all the school zones and the peak flows in the school zones. The discussion continued.

Councilmember Welsh commented that a lot of people did not know how to use the High Intensity Activated Crosswalk (HAWK) system while they were driving. Mayor Fullmer indicated that staff and the Sheriff's Office would be publishing more information about the HAWK system on social media and the newsletter to educate the public.

Mayor Fullmer asked Mr. Ghandour about funding for the study. Mr. Ghandour replied that they would work with the finance department and also said that they could work with partners such as Utah State University which had a local transportation assistance program.

Councilmember Judd felt that since safety was concerned, he wanted to make the funds available to make it work.

The discussion continued.

Council decided to that they wanted Mr. Ghandour to bring back a recommendation.

10. CLOSED SESSION

No closed session was held.

11. ADJOURNMENT

Mayor Fullmer called for a motion to adjourn the meeting.

Motion: COUNCILMEMBER FLAKE MOVED TO ADJOURN THE MEETING AT 7:04 PM. COUNCILMEMBER EARNEST SECONDED THE MOTION. MAYOR FULLMER, COUNCILMEMBERS EARNEST, FLAKE, JUDD, AND WELSH VOTED AYE. THE MOTION CARRIED UNANIMOUSLY.

TO: City Council
ITEM: 9.1 Continuation of Consideration of Ord. 2021-08 to update the Vineyard Zoning Code
APPLICANT(S): City Initiated

INTRODUCTION:

This ordinance has been properly noticed in the newspaper, posted on the Vineyard City website and the Utah State Public Notice website, and mailed to all affected entities. Property owners near any proposed zoning changes were notified consistent with the requirements of state code.

Ordinance 2021-08: Amendment to VZC 15.48.040 'General' and VZC 15.48.070 'Sign Standard Table'

This text amendment proposes changes to monument signs and wall signs. The maximum height for monument signs has been increased from 10 ft to 15 ft. Properties with two (2) or more tenants of separate businesses or organizations shall be allowed to submit a permit for a multi-tenant monument sign.

The outrightly permitted sign area for exterior walls signs shall be "5% on each building elevation. In no case shall a wall sign be required to be smaller than 60 SF." If an applicant has need for a larger sign area, this may be approved through a sign standard waiver application. In regard to sign area, the Sign Standard Waiver Criteria shall read, "The Planning Commission may approve a wall signage area not to exceed 8% on any single elevation as long as the signage area is reallocated from an additional elevation." The maximum number of exterior wall signs shall be 1 per elevation, maximum 4.

RECOMMENDATION:

Staff is recommending approval of Ord. 2021-08.

VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: 9-8-2021

Agenda Item: 9.2 Trailside Elementary School – 460N & Vineyard Loop Road Crossing

Department: Engineering Department

Presenter: Naseem Ghandour, P.E.

Background/Discussion:
With the completion of the new Trailside Elementary School, City staff had completed a warrant study and installed a Reduced Speed School Zone (RSSZ) for Vineyard Road and Vineyard Loop Road. As the school has been open for 4-weeks, the City and School District staff have been receiving feedback from parents and from staff regarding student pedestrian traffic.
*After a review of the Warrant Study dated on June 24, 2021 (**Attachment A**), the City Engineer has determined that several assumed projections and flow require review and update.*

Utah Manual for Uniform Traffic Control Devices (Utah MUTCD) Zone Manual (2009 Revision 2) section 7.03A paragraph 8 states that if projections have been used to determine the number of school children utilizing a crosswalk, then an engineering study shall be performed to verify the projections. Furthermore, supporting documentation shall include enrollment information from the school district and a survey from affected parents to define the projected usage for the proposed School Crossing Zone.
*The warrant study projected an enrollment of 600 students, the Trailside principle has confirmed that current enrollment is 875 students. The number of student bicyclist/walker has exceeded the assumed study number of 45, with approximately 165 students arriving from the south using the Vineyard Road & Vineyard Loop Road crossing and 123 students arriving from the north (**Attachment B**) passing the school entrance facing 460N to utilize the southern established crossing at Vineyard Road and Vineyard Loop Road (**Attachment C**). The school and city have received concerns from approximately 20 parents regarding the lack of northern school crosswalk and/or the number of students utilizing the established southern school crosswalk.*

Additionally, the Utah School Zone Manual states that the 600-foot spacing from crossings may be reduced to 300-foot spacing, whereas the requirements shall not apply to another crosswalk at the same intersection, or to a crosswalk on legs of intersection roadways.
*The proposed intersection is located at 460N & Vineyard Loop Road, which is approximately 400-feet away from the existing RSSZ crossing at Vineyard Road and Vineyard Loop Road (**Attachment C**).*

VINEYARD CITY COUNCIL STAFF REPORT

Finally, the Utah MUTCD states if the school crossing under consideration is for an elementary school and the posted speed limit is equal to/above 30-mph, then a warrant does not need to be conducted (**Attachment D**).
Trailside Elementary school serves school aged children grades pre-school to grade 6. The current speed along Vineyard Loop Road, the road intersecting the proposed crosswalk, is posted at 35-mph.

This engineering study was performed by the City Engineer and Staff which concluded that the proposed location satisfies the criteria for a reduced speed school zone based on the criteria defined in Section 7A.03 and the procedure outlined in Appendix B2r of Chapter 7 the 2009 Utah MUTCD.
*It is recommended that a reduced speed school zone be added on 460 North, crossing Vineyard Loop Road (at its northern intersection) to serve the elementary school aged children arriving from the northern service area and included in the Safe Routes Utah plan for Trailside Elementary School per the Utah MUTCD Reduced Speed School Zone Layout (**Attachment E**).*

Fiscal Impact:
$20,000 (for RSSZ traffic control devices)

Recommendation:
Staff Recommends Approval

Sample Motion:
Motion to approve the Trailside Elementary Reduced Speed School Zone at 460N and Vineyard Loop Road and budget for purchase and install the warranted traffic control devices.

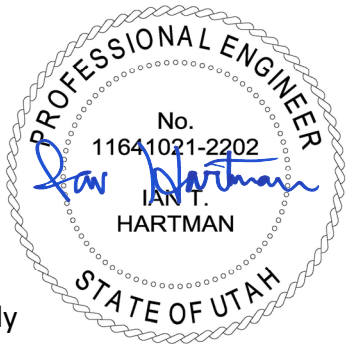
SUBJECT: Trailside Elementary School Reduced Speed School Zone Study



J-U-B Engineers, Inc. (J-U-B) conducted an engineering study for the intersection of 400 North and 270 East to determine whether this location meets the 2009 Utah Manual on Uniform Traffic Control Devices (MUTCD) criteria for a Reduced Speed School Zone (RSSZ) with the new Trailside Elementary School opening in fall 2021.

This technical memorandum reviewed the following:

- Existing vehicular volumes, speeds, and gaps
- Anticipated pedestrian volumes

Utah MUTCD Criteria

The 2009 Utah MUTCD specifies that a reduced speed school zone is defined as the area of the roadway associated with a school crosswalk where the speed limit is reduced to 20 mph. All Reduced Speed School Zones must be designated on the Student Neighborhood Access Program (SNAP) plan. The SNAP plan has since been replaced by Safe Routes Utah, with the same intent as the SNAP plan.

Table 1: School Crossing Control Criteria

Zone Type	Guidance
School Crosswalk Zone	Volume of schoolchildren exceeds 10 students during a period extending from not earlier than 45 minutes before school starts until 15 minutes after school starts, or a period from 15 minutes before the end of school to 45 minutes after school ends, and either of the following two conditions: A. The street average daily traffic (ADT) exceeds 500 vehicles; or, B. The hourly traffic volume during either of the time periods above exceeds 50 vehicles.
Reduced Speed School Zone	A. The warrants for a School Crosswalk Zone are met; and, B. The posted speed limit is 50 mph or less; and, C. The Process for Warranting a Reduced Speed School Zone is met.

Data and Assumptions

Volume (**Table 2**), speed, and gap data (**Table 3**) were collected for 400 North east of 270 East on May 5 and May 6, 2021 and included in **Appendix A**. 400 North is posted at 35 mph. Trailside Elementary School has not yet opened so pedestrian counts were not collected. Approximately 600 students are expected to be enrolled. The study estimated that 15% of students will walk to school, and half of those students will use the crosswalk. A total of 45 students (potentially more) are anticipated to use the crosswalk during both the AM and school PM. The school operating hours will be 8:00 AM to 2:15 PM. Approximately 320 feet of stopping sight distance is available for the westbound approach if the crosswalk is located at the intersection of 270 East and 400 North. The American Association of State Highway and Transportation Officials (AASHTO) Green Book specifies that 250 feet of stopping sight distance is required for a roadway with a 35 mph posted speed limit.

Table 2: Volume Data

Time Period	Volume
7:15 – 8:15 AM	162
2:00 – 3:00 PM	234
24 Hour	3679

Warrants for a school crosswalk zone are met.

The warrant for a reduced speed school zone defined in Appendix C of Chapter 7 of the 2009 Utah MUTCD was evaluated as shown in **Table 3**.

Table 3: Appendix C. Warrant: Reduced Speed School Zone

Warrant	Value	Points
Average Time Between Gaps (Min)	0.62 (AM) / 0.78 (PM)	0
School Pedestrian Volume (Number)	45*	4
85th Percentile Approach Speed (MPH)	35.5	5
Average Demand Per Gap (D)	0.23 (AM) / 0.29 (PM)	0
Total		**9**

*Estimated based on proximity of housing within attendance zone to school. Includes children only.

The minimum number of points required to satisfy the warrant in an urban area is 16. The warrant is not met based on existing traffic conditions. It is expected that the vehicular volumes on 400 North will increase after the school opens in fall 2021. This warrant may be met in the future.

The process for warranting a reduced speed school zone defined in Appendix B2r of Chapter 7 of the 2009 Utah MUTCD was also evaluated as shown in **Table 4.** The process is included in **Appendix B** for reference.

Table 4: Appendix B2r: Process for Warranting a Reduced Speed School Zone

Criteria	Value
School Crosswalk Zone is warranted and the posted speed limit is ≤ 50 mph	Yes
Is the crosswalk at a signal, stop sign, or roundabout?	No
Crosswalk for an elementary school?	Yes
Is the posted speed limit ≥ 30 mph?	Yes
Result	**RSSZ is warranted**

The process for warranting a reduced speed school zone defined in the flow chart in Appendix B2r of Chapter 7 of the Utah MUTCD is met.

Findings and Conclusions

The engineering study concluded that the location satisfies the criteria for a reduced speed school zone based on the criteria defined in **Section 7A.03** and the procedure outlined in Appendix B2r of Chapter 7 the 2009 Utah MUTCD. It is recommended that a reduced speed school zone be added on 400 North (east and west of 270 East) and included in the SNAP (or Safe Routes Utah) plan for Trailside Elementary School.

The Preserve, Lakefront at Town Center, The Villas and The Springs Neighborhoods
If your home is on the north side of Vineyard Loop Rd and west of Main St walk on the north side of Vineyard Loop Rd until you reach Main St. Cross the street on Vineyard Rd. and keep walking south until the crossing guard on Vineyard Rd.

The Maples, James Bay and Hampton Neighborhoods
If your home is west of Main and south of Vineyard road, walk east toward Main Street then go north. Cross with a crossing guard at Main and Vineyard then continue east and cross Vineyard Loop Road with a crossing guard.

The Garden and Parkside Neighborhoods
If your home is east of Main and entrances to your neighborhood are on Main, use Main to go north. Cross with a crossing guard at Main and Vineyard then continue east and cross Vineyard Loop Road with a crossing guard. Alternatively, you can stay on the south side (Grove Park side) of Vineyard Road and cross with a crossing guard at Vineyard Loop Road.

The Willows and Westbrook Neighborhoods
If your home is west of Vineyard Road and east of the wetlands, you can either access the trail to the west of the

subdivisions and walk north to Vineyard Road then cross with a crossing guard at 270 East or, alternatively, walk on the sidewalks of Vineyard Road and cross with a crossing guard at 270 East.

Providence and Cascade Neighborhoods
From Vineyard Loop Road, walk south to the intersection with Vineyard Road. Cross Vineyard Loop Road with a crossing guard.

ORDINANCE 2021-12

AN ORDINANCE OF THE VINEYARD CITY, UTAH ADOPTING CHAPTER 2.30 OF THE CITY'S MUNICIPAL CODE RELATING TO COMMITTEES AND COMMISSION

WHEREAS, the Vineyard City Council desires to adopt Chapter 2.30 of the Municipal Code of the City relating to Committees and Commissions; and

WHEREAS, the City Council finds it necessary to establish committees and commissions within the City and to create regulations and guidelines to govern them; and

WHEREAS, the City Council has determined that the proposed Chapter will promote the public interest and welfare;

WHEREAS, a copy of the draft ordinance relating to committees and commissions has been filed for use and examination by the public in the Office of the City Recorder prior to consideration of the ordinance by the City Council;

NOW THEREFORE, be it ordained by the Council of Vineyard, in the State of Utah, as follows:

SECTION 1: **ADOPTION** "2.30 Committees and Commissions" of the Vineyard Municipal Code is hereby *added* as follows:

A D O P T I O N

2.30 Committees and Commissions*(Added)*

SECTION 2: **ADOPTION** "2.30.010 General Provisions" of the Vineyard Municipal Code is hereby *added* as follows:

A D O P T I O N

2.30.010 General Provisions*(Added)*

A. INTENT AND PURPOSE.

1. It is the intent and purpose of this chapter to encourage citizen involvement and obtain citizen advice and input by creating certain committees and commissions of the city as hereinafter discussed. Any and all committees and

commissions established pursuant to this chapter shall be advisory bodies: they shall have no authority to bind the city or impose any conditions on the city or its citizens.

2. Nothing in this chapter shall prevent or preclude the City Manager from establishing or creating executive committees, task forces, etc., to give advice and recommendations to the office of the City Manager.

B. DEFINITIONS. For purposes of this Chapter,
   1. Committee shall mean a body of people drawn from among members of the City Council or a commission, City employees, or members of the public, that is created by the City Council or commission and is entrusted with a specific job or task related to the work of the City Council or commission.
   2. Commission shall mean a body of people established by the City Council to perform certain advisory functions.

C. COMMITTEES. Committees shall be established by motion or resolution of the organizing council or commission. The size, scope, and duration of a committee shall be determined in the organizing motion or resolution. No committee shall include more than two members of any single council or commission such that the committee would include a quorum of that body.

D. COMMISSIONS. Commissions shall be established by ordinance. Unless otherwise specifically stated in a commission enabling ordinance, all commissions established pursuant to the provisions of this chapter shall be composed of five (5) members, one (1) alternate member, and one (1) ex-officio member, all of whom shall be appointed by the Mayor with the advice and consent of the City Council. Commission members and alternate members shall be residents of the City. Ex officio members may be employees of the City. The appointed members shall serve as the decision-making body for the commission. Each commission may seek nonvoting members/volunteers who desire to participate consistent with the purpose or mission of the respective commission.
   1. TERM, REMOVAL, AND VACANCIES. Unless otherwise specifically stated in a commission enabling ordinance, the following provisions shall govern the membership on any commission established pursuant to this chapter. The members shall serve for a term of four (4) years and shall not serve more than two (2) consecutive terms. Each term shall begin on February 1 of the year of appointment and shall end on January 31 of the year when the appointment expires or until a successor is appointed. The terms of commission and committee members shall be staggered. A commission or committee member may be appointed for a term of less than three (3) years to provide for staggered terms or to complete a vacated, unexpired term. The mayor may remove any member of a commission without cause as determined solely by the discretion of the mayor and as approved by a majority of the city council. Any member of a commission so removed shall be entitled to a hearing before the city council if a hearing is requested in writing within seven (7) calendar days after the city council votes to remove the member. The

purpose of the hearing is to allow the member being removed to be heard on the issue of removal.

2. RULES AND PROCEDURES. Unless otherwise specifically stated in a commission enabling ordinance, each commission established pursuant to the provisions of this chapter shall formulate its own rules for the selection of a chairperson, time, place and manner of calling of meetings and other procedural matters; provided, that there shall be at least one (1) meeting of the commission each quarter. Each commission shall prepare written minutes of all meetings which shall be approved by each commission at subsequent meetings. The original approved minutes shall be maintained in the Office of the City Recorder. Commission meetings shall be held as open meetings in accordance with the requirements of the Utah Open and Public Meetings Act, U.C.A. § 52-4-101 et seq.

SECTION 3: **ADOPTION** "2.30.020 Bicycle Commission" of the Vineyard Municipal Code is hereby *added* as follows:

A D O P T I O N

2.30.020 Bicycle Commission*(Added)*

A. GENERAL. The Bicycle Advisory Committee created by resolution number 2020-05 on May 13, 2020, is hereby established as the Bicycle Advisory Commission.

B. PURPOSES AND DUTIES. The Bicycle Advisory Commission shall have the responsibilities provided in this section and such other duties as the Mayor may, from time to time, decide:

1. Advise and provide input on policy, management, master plans, operations and maintenance, design standards, sustainability initiatives, development plans, rules, regulations, and ordinance relating to bicycling;
2. To organize community programs and projects to provide information and education to the community on bicycling;
3. To actively promote and participate in community events as it relates to promoting bicycle safety and education;
4. To render an annual report of commission activities to the governing bodies of the City;
5. To promote bicycling as a viable form of transportation;
6. To provide a venue for public input and assistance as "eyes and ears" for issues pertaining to bicycling in the City;
7. To maintain relationships and consult with bicycle advisory and advocacy groups within the region, including Bike Utah, the Bike Collective, BACs or

equivalent of other jurisdictions, and other groups as appropriate;

8. To work with City staff toward the goal of becoming a Diamond-level Bicycle Friendly Community.

SECTION 4: **REPEALER CLAUSE** All ordinances or resolutions or parts thereof, which are in conflict herewith, are hereby repealed.

SECTION 5: **SEVERABILITY CLAUSE** If any section, part, or provision of this Ordinance is held invalid or unenforceable, such invalidity or unenforceability shall not affect any other portion of this Ordinance; and all sections, parts, and provisions of this Ordinance shall be severable.

SECTION 6: **EFFECTIVE DATE** This Ordinance shall be in full force and effect from March 10, 2021 and after the required approval and publication according to law.
