

**REGULAR MEETING OF THE
VINEYARD ARCH COMMISSION
Thursday, September 21, 2023, 6:00 p.m.**

PUBLIC NOTICE is hereby given that the Vineyard City ARCH Commission will hold a regularly scheduled meeting on Thursday, September 21, 2023, at 6:00 PM at City Hall, 125 South Main Street, Vineyard, Utah.

REGULAR SESSION

1 CALL TO ORDER

2 STAFF, COMMISSION, AND COMMITTEE REPORTS

2.1 Special Events Manager Anna Nelson

3 BUSINESS ITEMS

3.1 DISCUSSION AND ACTION – SHADE TENT DESIGN

Parks and Recreation Director Brian Vawdrey will present options for shade structures at Grove Park and Penny Springs Park. The ARCH Commission will take appropriate action.

3.2 DISCUSSION AND ACTION – PARKS AND RECREATION STORAGE SHED

Recreation Coordinator Ginger Nelson will present options for a storage shed at Gammon Park. The ARCH Commission will take appropriate action.

4 WORK SESSION

4.1 Slide Hill at Grove Park Update

The Community Development Department will present and lead a discussion on the plans for the hill at Grove Park.

4.2 UPCOMING EVENTS

City Special Event Manager Anna Nelson will lead a discussion on the upcoming event for the city. Including the BOO-A-Palooza Event. No action will be taken

5 ADJOURNMENT

The Public is invited to participate in all ARCH Commission meetings. In compliance with the Americans with Disabilities Act, individuals needing special accommodations during this public meeting should notify Anna Nelson, Special Event Manager, at least 24 hours prior to the meeting by calling (801) 226-1929 or email at annan@vineyardutah.org.

The foregoing notice and agenda were posted on the Utah Public Notice Website and Vineyard Website, posted at the Vineyard City Offices and City Hall, delivered electronically to city staff and each member of the ARCH Commission.

AGENDA NOTICING COMPLETED ON: September 20th 2023

NOTICED BY: /s/ Anna Nelson

Anna Nelson, Special Event Manager

ARCH Commission – Agenda

VINEYARD CITY ARCH COMMISSION STAFF REPORT

Meeting Date: September 21st, 2023

Agenda Item: 3.1 Shade Sail Designs

Department: Parks and Recreation Department

Presenter: Brian Vawdrey

Background/Discussion: The Vineyard City Council has received feedback from multiple residents wanting sail shades at local city parks. With how popular the splash pad gets in the summer months, it can be hard for parents to find a shaded area to sit. In addition, the playground equipment at Vineyard City parks get very hot due to no sun protection. Due to this demand, budget has been approved to install sail shades at Vineyard Grove Park and Penny Springs Park during the 2023-2024 fiscal year. Staff is seeking for input from the ARCH Commission regarding which shape of sails to install, as well as, which locations in the parks to install sail shades.

Fiscal Impact: \$400,000. This amount has already been approved by City Council for the 2023-2024 fiscal year. This includes the purchase and installation of sail shades at Vineyard Grove Park and Penny Springs Park.

Recommendation: Staff recommends the sail shades be triangular in shape, except for the sail shades over bench areas. While rectangles may cover more square footage, the triangles may help with wind dispersion, easement of replacing if damaged, and improved appearance.

In addition, staff recommends that sail shades be placed in the following locations and prioritized as follows:

- 1) Large area in blue with the playground and spider web type structure at Grove Park
- 2) Large grass hill within the splash pad at Grove Park
- 3) Bench areas (up to five areas) located within the splash pad area at Grove Park
- 4) Over the playground equipment at Penny Springs Park
- 5) Bench areas (up to two areas) located near the Penny Spring Park playground
- 6) The swing set area at Grove Park

Sample Motion:

I move to recommend to city council the approval of the Shade Sail Designs as presented by staff.

VINEYARD CITY ARCH COMMISSION STAFF REPORT

Meeting Date: September 21st, 2023

Agenda Item: 3.2 Gammon Storage Shed

Department: Parks and Recreation

Presenter: Ginger Kellems

Background/Discussion: Due to the old city hall building being torn down, the Vineyard City Recreation department lost their main facility for storing sports equipment. With the equipment now being stored in a mobile classroom by the Public Works building, it has placed added difficulty on the Recreation Staff for transporting equipment for sporting activities.

Because of the desire for more accessible storage space, less intrusion of Public Works space, and the City Council wanting to get rid of the mobile classroom, staff wants to put a storage shed at Gammon Park. Staff is seeking feedback from the Vineyard ARCH Commission regarding the design, color(s), and location for the shed.

Fiscal Impact: \$15,000. The Parks and Recreation Department has received approval from the Vineyard City Council to have a \$15,000 budget for a storage shed at Gammon Park during the 2023-2024 Fiscal Year.

Recommendation: Staff recommends the purchase of the premier Tall Rance Style 16x24 Tuff Shed totaling 384 square feet, in the color Sea Stone, with White Trim, and Nickle Grey Shingles for \$14,214. This includes the shed, full-service paint and building, permit fees, engineering fees, doors, ventilation, Gound leveling up to 4", and delivery.

Staff also recommends shed placement to be at either the old city hall plot or the old white house plot, located at Gammon park.

Sample Motion:

I move to recommend to City Council the approval of the Gammon Storage Shed as presented by staff.
