Gateless Parking System

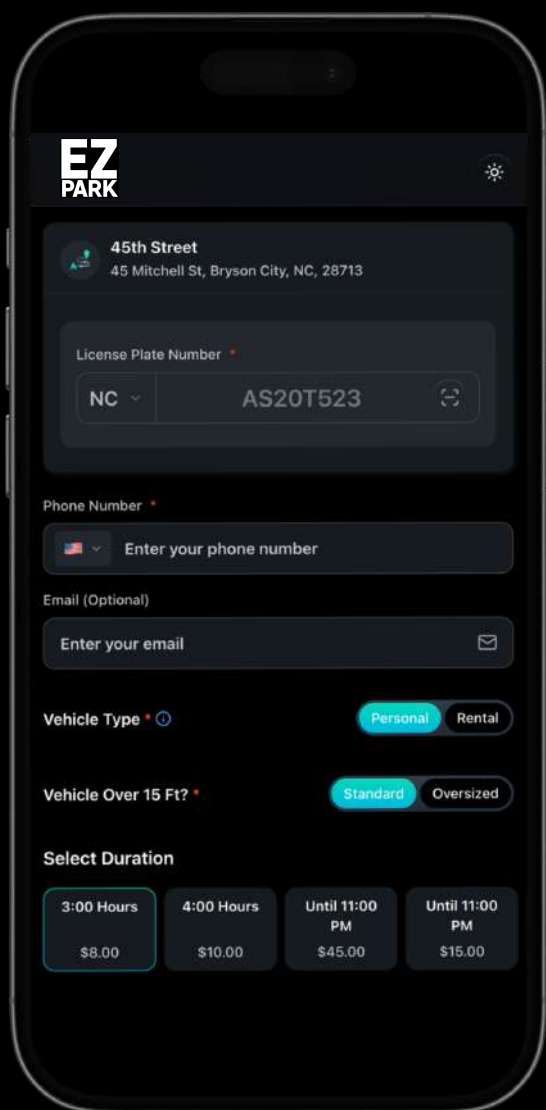

Delivering a world-class, ticketless parking experience
powered by AI and LPR.

About EZPark

EZPark is redefining the future of parking and access control.

Together with our operators, we deliver fully ticketless, AI-driven solutions that maximize revenue, eliminates downtime, and provide a frictionless guest experiences, All whilst driving OPEX down significantly. Our software suite—including AI-assisted license plate recognition cameras, and integrated enforcement agents are engineered for reliability and ease, with full customization to meet the standards of world-class properties.

EZPark's cloud platform unifies parking operations into a single, intelligent system. End users benefit from Auto Start/Stop technology and our back end is building Seamless integrations with mobility platforms such as SpotHero, ParkWhizz, Way.com and our own Monthly Parking and reservations platform ReserveParking.com which makes it effortless to manage transient parkers, monthly parkers, and staff.

Our Parking Intelligence platform provides Real-time analytics, mobile enforcement, and a growing nationwide guest loyalty engine (currently at roughly 15,000,000 parkers) to ensure owners have the tools they need to increase profitability and deliver exceptional service.

Our Mission is Simple:

Create a best-in-class parking experience that elevates the entire property, from the first touchpoint at entry to the moment a guest departs.

How to Park

Parking doesn't get easier

Parking with our Scan-to-Pay system is seamless. Simply drive into the lot and pick any available spot—no gates, no hassle. Once you exit your vehicle, look for signage displaying a QR code and simple instructions. Scanning the QR code will open a web app by EZPark, where you'll enter your license plate, choose a payment method, select your stay duration, and pay effortlessly using Apple Pay, Google Pay, or your preferred card.

After completing the process, you'll receive a confirmation via text, allowing you to walk away and enjoy your day. If you opt for our LPR (License Plate Recognition) package, you only need to set up your payment once. From then on, you'll have frictionless access to EasyPark facilities nationwide: just drive in and out, with auto start-stop technology confirming your visit at arrival and departure.

Our system integrates with enforcement channels to ensure compliance. Non-compliant vehicles can be notified or towed, maintaining a smooth operation without heavy operating or capital costs. At EZPark, we're making parking better, simpler, and more accessible for all..

Parking Management

Insights to make Data Driven Decisions

The EzPark admin dashboard is a powerful tool that empowers both ownership and our operations team with comprehensive data. We gain end-to-end insight into the property, tracking every vehicle's journey from arrival to departure. With our AI assistant, we analyze trends and traits to make the best dynamic price calculations, enabling proactive decisions that improve operations before issues arise, rather than reacting too late.

With EzPark's dashboard, we can adjust pricing in real time, manage whitelists, and leverage enforcement engines, ensuring smooth compliance and efficiency. This comprehensive control makes us one of the most efficient operators in the gateless parking space.

Additionally, our admin panel allows us to easily manage permits in residential and mixed-use facilities. We can create custom pricing for specific zones and maintain full control over how tenants access and use the property. This holistic view ensures we understand usage patterns, making us even more effective in managing diverse parking environments.

! EZPark vs Traditional PARCS

EZPark Gateless system

- No tickets, seamless guest entry & exit
- Zero Capex, next to no Opex
- No Broken equipment or repairs
- Nationwide loyalty engine to capture more customers
- In house enforcement team to maximize compliance
- Custom branded customer facing interface
- Integrations with other aggregators

VS

Traditional Parking Systems

- Ticket jams and lost tickets
- No contactless payment on some machines.
- Broken or Dislodged gates lead to revenue loss.
- Manual resets leading to downtime and lost revenue
- Expensive on-site staffing required for guest support
- Limited data on guest behavior or loyalty
- Higher maintenance costs

| Permit Management

EzPark has partnered with ReserveParking.com, one of the most advanced permit management systems available today, offering a comprehensive solution without compromise. From recurring payments and pro-ration to flexible pass options, ReserveParking.com delivers every feature we need. Tenants can choose a Flex Pass, allowing one space for multiple vehicles, or opt to pay for several vehicles simultaneously. This system seamlessly supports both individual and corporate environments, all within the EzPark ecosystem.

Through EzPark, we maintain full integration with ReserveParking.com, ensuring that permit management is as streamlined as possible. We have complete oversight of all parking allocations, instantly alerted if a tenant exceeds their allotted spaces. This allows us to customize repercussions as needed, ensuring property owners maximize their returns with no hassle or risk of abuse.

With EzPark, we control every facet of the parking experience, whether it's a transient visitor, a guest, or a resident with a monthly permit. Best of all, our pricing is among the most competitive in the market, ensuring that both property owners and tenants receive top-tier value without sacrificing performance or security.

| Guest Passes & Validations

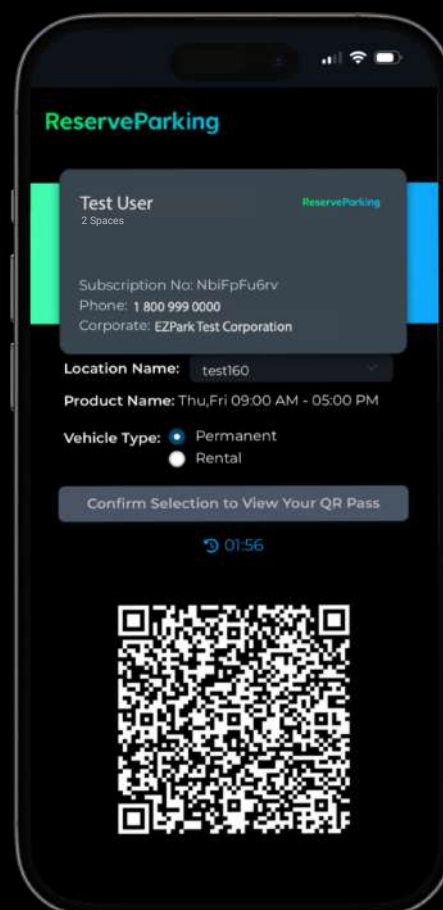

With EzPark, we offer a complete guest pass validation platform designed for both residential and mixed-use properties. This system allows us to collaborate closely with property ownership to issue validations or passes tailored to their needs—whether it's an all-day pass, a paid validation, a discounted rate, or a limit on the number of guest passes per month. We have the guardrails in place to ensure every property can set precise parameters.

This open-ended validation and guest pass platform is fully customizable and ready to implement. Once requested, we can have it operational within 24 hours, ensuring that property owners have a tailored solution without any compromises. We are prepared to bring this system to your property, offering a seamless experience that adapts exactly to your needs.

Permit Management

Permits should be straightforward for both management and customers. When a customer receives their subscription confirmation through the reserve parking platform, they get a confirmation email with simple instructions on how to park. In most cases, it's just a matter of driving in, parking, and driving out—no hassle. The real magic happens behind the scenes: our detection systems monitor usage, ensuring there's no abuse of the permits.

Customers will receive a link to a web app, which displays their subscription details, showing how many spaces they can access and offering simple controls. But the big advantage is on the backend: we can track activity in real-time, so we get instant alerts if there's any misuse. If issues arise, we can respond quickly—whether that's by sending notices, charging for overages, or simply emailing the tenant to address the problem and ask them to correct it immediately.

Thank You!

We look forward to partnering with you to deliver a seamless, best-in-class guest parking experience.

Now is the time to build the future of autonomous mobility - together.

RESOLUTION NO. 2026-21

A RESOLUTION OF THE CITY COUNCIL OF VINEYARD CITY, UTAH, AMENDING THE VINEYARD CITY CONSOLIDATED FEE SCHEDULE TO MODIFY THE TRANSPORTATION UTILITY FEE AND VINEYARD DAYS FEES

RECITALS

WHEREAS, Vineyard City (the “City”) has adopted a Consolidated Fee Schedule to establish fees, rates, and charges for services provided by the City; and

WHEREAS, the City Council periodically reviews and updates such fees to ensure they are reasonable, equitable, and reflective of the cost of providing services; and

WHEREAS, the Transportation Utility Fee is imposed to fund the construction, operation, maintenance, and replacement of the City’s transportation system, including streets, sidewalks, and related infrastructure and services; and

WHEREAS, the City Council finds it necessary to amend the Transportation Utility Fee to address current and anticipated transportation system needs; and

WHEREAS, Vineyard Days is an annual community event sponsored or supported by the City, and the City establishes fees for participation, including vendors, sponsorships, and related activities; and

WHEREAS, the City Council finds that updates to Vineyard Days fees are necessary to reflect current costs, ensure fairness, and support efficient event administration; and

WHEREAS, the City Council finds that the amendments set forth herein are in the best interest of the public health, safety, and welfare of the residents of Vineyard City.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF VINEYARD CITY, UTAH, AS FOLLOWS:

Section 1. Incorporation of Recitals

The foregoing recitals are hereby incorporated as findings of the City Council.

Section 2. Amendment of Consolidated Fee Schedule

The Vineyard City Consolidated Fee Schedule is hereby amended to update the Transportation Utility Fee and Vineyard Days fees as set forth in Exhibit A, which is attached hereto and incorporated by this reference.

Section 3. Transportation Utility Fee

The Transportation Utility Fee shall be modified as specified in Exhibit A. Such fee shall be assessed and administered in accordance with applicable provisions of the Vineyard City Municipal Code and City policies, and revenues derived therefrom shall be used solely for transportation-related purposes, including but not limited to system maintenance, improvements, and related debt service.

Section 4. Vineyard Days Fees

Fees associated with Vineyard Days, including vendor fees, booth fees, sponsorship fees, parade entry fees, and other participation-related charges, are hereby adopted and amended as set forth in Exhibit A.

Section 5. Administrative Implementation

The City Manager, or designee, is authorized and directed to implement the provisions of this Resolution, to make non-substantive administrative adjustments as necessary, and to ensure the updated Consolidated Fee Schedule is properly maintained and made available to the public.

Section 6. Repealer

All resolutions or parts thereof inconsistent with this Resolution are hereby repealed to the extent of such inconsistency.

Section 7. Severability

If any section, subsection, sentence, clause, or phrase of this Resolution is held to be invalid or unconstitutional, such decision shall not affect the validity of the remaining portions of this Resolution.

Section 8. Effective Date

This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED by the City Council of Vineyard City, Utah, this ___ day of _____, 2026.

Resolution 2026-19

A RESOLUTION ADDRESSING PUBLIC SAFETY AND ILLEGAL PARKING ENFORCEMENT IN RESIDENTIAL NEIGHBORHOODS

WHEREAS, Vineyard City has experienced increasing concerns related to congested street parking in certain residential neighborhoods, including but not limited to LeCheminant, The Gardens, and Bridgeport; and

WHEREAS, such congestion has resulted in vehicles being parked in violation of existing Utah State law and local ordinances, including but not limited to parking in front of fire hydrants, along red curbs, within intersections, and in close proximity to stop signs, thereby limiting visibility and creating hazards to public safety; and

WHEREAS, these conditions pose risks to emergency response access, pedestrian safety, and general traffic flow within these neighborhoods; and

WHEREAS, Vineyard City has existing laws and ordinances in place that prohibit such unsafe parking practices; and

WHEREAS, the City contracts with Utah County Sheriff's Office for law enforcement services and maintains a towing contract with UPA for the removal of vehicles in violation of applicable laws; and

WHEREAS, the City Council desires to take immediate action to address these safety concerns while longer-term solutions, including code enforcement strategies and parking policy updates, are evaluated and developed;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF VINEYARD CITY, UTAH, AS FOLLOWS:

Section 1. Direction for Enforcement

The Vineyard City Council hereby directs law enforcement personnel serving Vineyard City, including the Utah County Sheriff's Office, to prioritize enforcement of existing parking laws and ordinances in identified high-impact areas, including LeCheminant, The Gardens, and Bridgeport neighborhoods.

Section 2. Daily Enforcement Initiative

Law enforcement is directed to conduct routine patrols, as feasible within available resources, during nighttime hours between 11:00 p.m. and 5:00 a.m., and once between

the daytime hours of 1:00 p.m. And 5:00 p.m. for the purpose of identifying vehicles parked in violation of applicable laws.

Section 3. Towing of Hazardous Vehicles

Vehicles found to be in violation of Utah State law or applicable local ordinances, including but not limited to those:

- Blocking fire hydrants
- Parked along red curbs
- Obstructing intersections
- Parked too close to stop signs
- Otherwise creating safety hazards

shall be subject to citation and/or towing in accordance with existing law and established procedures, including coordination with the City's contracted towing provider. Vehicles on red curbs, blocking fire hydrants, blocking intersections, or too close to stop signs shall be towed in accordance with state law.

Section 4. Public Safety Emphasis

This resolution affirms that enforcement actions taken under this directive are intended to protect public safety, ensure emergency access, and maintain safe and navigable roadways for residents.

Section 5. Interim Measure

This enforcement initiative is intended as an immediate, interim measure to address current safety concerns. The City Council will continue to evaluate long-term solutions, including code enforcement capacity, parking regulations, and occupancy-related impacts, through a deliberate public process.

Section 6. Coordination with Staff

City staff are directed to coordinate with law enforcement and the contracted towing provider to support implementation of this resolution and to provide updates to the City Council as needed.

Section 7. Effective Date

This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED by the City Council of Vineyard City, Utah, this ___ day of _____, 2026.

RESOLUTION NO. 2026-20

A RESOLUTION OF VINEYARD CITY CREATING THE VINEYARD COMMUNITY EVENTS COMMISSION AND AUTHORIZING THE FORMATION OF A NONPROFIT ORGANIZATION KNOWN AS THE VINEYARD COMMUNITY FOUNDATION

WHEREAS, Vineyard City recognizes the importance of community events, civic engagement, and public-private partnerships in strengthening community identity and quality of life; and

WHEREAS, the City desires to establish a formal advisory body to assist in the planning, coordination, and support of community events; and

WHEREAS, the City further recognizes the value of a nonprofit organization that can solicit donations, sponsorships, and grants to support community events and related initiatives; and

WHEREAS, Utah law permits municipalities to create advisory boards and to partner with nonprofit organizations for public purposes;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF VINEYARD CITY, UTAH, AS FOLLOWS:

Section 1. Creation of Commission

There is hereby created an advisory body to be known as the “Vineyard Community Events Commission” (the “Events Commission”).

Section 2. Purpose

The purpose of the Events Commission is to:

- Advise the Mayor and City Council on community events and programming
- Support the planning and coordination of city-sponsored events, including but not limited to Vineyard Days, holiday events, and community gatherings
- Encourage volunteerism and community participation

- Assist in identifying sponsorship and partnership opportunities
- Promote events that enhance community pride, unity, and economic growth

Section 3. Composition and Appointment

- The Commission shall consist of 7 members appointed by the Mayor with advice and consent of the City Council
- Members shall serve staggered terms of 2 and 4 years
- The Mayor will designate a Chair
- A City staff liaison shall be assigned to support the Commission

Section 4. Authority and Limitations

- The Commission shall serve in an advisory capacity only
- The Commission shall not:
 - Expend public funds without City Council approval
 - Bind the City to any contract or obligation
- All meetings shall comply with the Utah Open and Public Meetings Act

Section 5. Authorization to Form Nonprofit

The Commission is hereby authorized, with oversight from the Mayor and City Council, to facilitate the creation of a nonprofit organization to be known as the:

“Vineyard Community Foundation”

The purpose of the Foundation shall include:

- Supporting community events and civic initiatives
- Receiving and administering donations, sponsorships, and grants
- Providing financial support for programs that benefit Vineyard residents

Section 6. Nonprofit Governance and Separation

- The Vineyard Community Foundation shall be:

- Organized as a separate legal entity under Utah law
 - Operated in compliance with all applicable nonprofit laws, including IRS requirements for tax-exempt status
- The Foundation shall not:
 - Create financial obligations for the City
 - Represent itself as the City of Vineyard
- Any use of City name, branding, or resources must be approved by the City

Section 7. Reporting Requirements

- The Commission shall provide periodic reports to the Mayor and City Council
- The Foundation, once formed, shall provide:
 - Annual financial reports
 - Updates on fundraising and expenditures related to community events

Section 8. Effective Date

This Resolution shall take effect immediately upon adoption.

Vineyard City Council, Program Brief:

Operation Neighborhood Shield

Program Overview

Vineyard City has experienced an increasing number of complaints regarding over-occupied rental homes, particularly in several neighborhoods where properties are being rented to a large number of unrelated individuals. These situations frequently result in:

- Excessive numbers of vehicles
- Illegal street parking
- Blocked access for emergency vehicles
- Strain on neighborhood infrastructure
- Reduced quality of life for surrounding residents

In response, the City will launch Operation Neighborhood Shield, a coordinated initiative focused on education, compliance, and targeted enforcement.

The program will initially focus on the neighborhoods of:

- **LeCheminant**
- **Bridgeport**
- **The Garden**
- **The Maples**

Program Timeline

Phase 1 – Ordinance Review

March 16 – March 31

Staff will review Vineyard City Code with the City Attorney and Chief Deputy Holden to determine whether updates or clarifications are needed regarding:

- Maximum residential occupancy limits
- Illegal rental definitions
- Parking enforcement authority
- Evidence requirements for Code Enforcement actions

If necessary, staff will bring recommended code amendments to the City Council.

Phase 2 – Public Awareness Campaign

Late March – April

The City will begin a neighborhood education effort to inform residents about occupancy and parking regulations.

Actions include:

- Distribution of door hangers and informational flyers
- Patrol vehicles to increase visibility and citations for illegal parking
- Public messaging informing residents that enforcement will escalate beginning May 1

Residents will also be encouraged to report concerns through the City's **“See Something, Say Something”** reporting initiative.

Phase 3 – Investigation & Evidence Collection

April

During the notice period, the City will aggressively pursue documenting potential violations and will continue to

To pursue enforcement action in municipal court, staff will need to gather two forms of evidence, such as:

1. **Public rental listings**
 - Online rental advertisements
 - Listings offering rooms for rent
2. **Neighbor complaint**
 - Verified complaint submitted to the City
3. **Property Visits by officers**
 - Recorded statements

Additional supporting evidence may include:

- Parking violations
- Code enforcement observations

This phase allows property owners an opportunity to correct violations voluntarily and for students to find other housing options prior to enforcement.

Phase 4 – Enforcement Begins

May 1, 2026

Beginning May 1, the City will begin formal enforcement actions against verified violations.

Possible actions may include:

- Administrative citations
- Parking citations
- Code Enforcement actions

Priority will be given to properties with repeated complaints or clear violations.

Code Enforcement Staffing

Maria Arteaga, who currently serves as the City's part-time Code Enforcement Officer, has submitted her notice and will be leaving city employment at the end of March 2026.

Her departure creates an immediate staffing gap at the same time the City is preparing to launch Operation Neighborhood Shield.

Recommended Staffing Adjustment

Staff recommends restructuring the position to create a **full-time Code Enforcement Officer** focused exclusively on enforcement responsibilities.

Primary duties would include:

- Code violation investigations
- Complaint response and case management
- Parking enforcement coordination
- Evidence collection for violation actions
- Neighborhood patrol and proactive compliance monitoring

The current job description includes coordination with Homeowners Associations (HOAs). Staff believes this responsibility should remain part of normal communication with neighborhoods but does not need to be a primary job responsibility.

Future Staffing Consideration

As Vineyard continues to grow, staff recommends the City Council consider the future addition of **two part-time Assistant Code Enforcement Officers**.

Adding two part-time officers would allow the City to:

- Improve response times and expand enforcement hours, allowing investigations to occur outside of traditional office hours (for example, one officer working early mornings and another working later into the evening).
- Provide proactive neighborhood patrols to identify issues before they become larger problems.

- Support increased enforcement efforts, particularly in neighborhoods experiencing increased vehicle congestion related to over-occupied homes.
- Maintain consistent follow-up on violations, ensuring cases are resolved efficiently and fairly.

RESOLUTION NO. 2026-22

A RESOLUTION OF VINEYARD CITY

**CREATING THE VINEYARD NEIGHBORHOOD COMMISSION,
ESTABLISHING NEIGHBORHOOD DISTRICTS,
AND PROVIDING FOR THE APPOINTMENT AND SELECTION OF COMMISSION
MEMBERS**

WHEREAS,

Vineyard City continues to experience significant growth and development, creating a need for stronger neighborhood-level communication, representation, and engagement; and

WHEREAS,

the City desires to promote citizen involvement, improve responsiveness to neighborhood concerns, and strengthen community identity; and

WHEREAS,

the City Council finds it beneficial to establish a formal Neighborhood Commission to serve as an advisory body representing defined neighborhood districts; and

WHEREAS,

the City has identified neighborhood districts as outlined in the maps attached hereto as **Exhibit A** and incorporated herein by this reference; and

WHEREAS,

the establishment of this Commission is intended to ensure that neighborhood voices are heard before major policy decisions are made, reinforcing Vineyard City's commitment to resident-first governance;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF VINEYARD CITY, UTAH:

SECTION 1. CREATION OF COMMISSION

There is hereby created the **Vineyard Neighborhood Commission** (the "Commission"), which shall serve as an advisory body to the Mayor and City Council on matters affecting neighborhoods within Vineyard City.

SECTION 2. PURPOSE AND DUTIES

The Commission shall:

1. Represent the interests and concerns of residents within their respective neighborhood districts
2. Provide recommendations to the Mayor and City Council on neighborhood-related issues, including but not limited to:
 - Parking and transportation concerns
 - Over-occupancy and code enforcement issues

- Public safety and neighborhood livability
- 3. Assist in facilitating communication between the City and residents
- 4. Encourage community engagement and volunteerism within neighborhoods

SECTION 3. NEIGHBORHOOD DISTRICTS

1. The City is hereby divided into neighborhood districts as depicted in **Exhibit A (Neighborhood District Map)**.
2. Each district shall be represented by one (1) Commissioner unless otherwise modified by future resolution of the City Council.

SECTION 4. SELECTION PROCESS

1. Each neighborhood district shall conduct a **neighborhood election** to identify preferred representatives.
2. The election process shall be administered in a manner determined by the City, which may include:
 - In-person meetings
 - In-person voting
 - Other methods approved by the City
3. Following each neighborhood election, the **top three (3) vote-getters** from each district shall be submitted to the Mayor.
4. The Mayor shall appoint one (1) individual from the three (3) nominees to serve as the official Neighborhood Commissioner for that district.

SECTION 5. TERMS

1. Commissioners shall serve **two (2) year terms**, unless otherwise established by the City Council.
2. Initial appointments may be staggered to ensure continuity.
3. Commissioners may be re-nominated and reappointed.

SECTION 6. VACANCIES

In the event of a vacancy:

1. The Mayor may appoint a replacement from the most recent list of top vote-getters; or
2. If no such list is available, the Mayor may appoint from applicants.

SECTION 7. ORGANIZATION

1. The Commission may organize itself and elect a Chair and Vice Chair.
2. Meetings shall be held as needed and in compliance with the Utah Open and Public Meetings Act (OPMA).

SECTION 8. STAFF SUPPORT

The City may assign staff support to assist with:

- Meeting coordination
- Election administration
- Communication with residents

SECTION 9. EFFECTIVE DATE

This Resolution shall take effect immediately upon adoption.

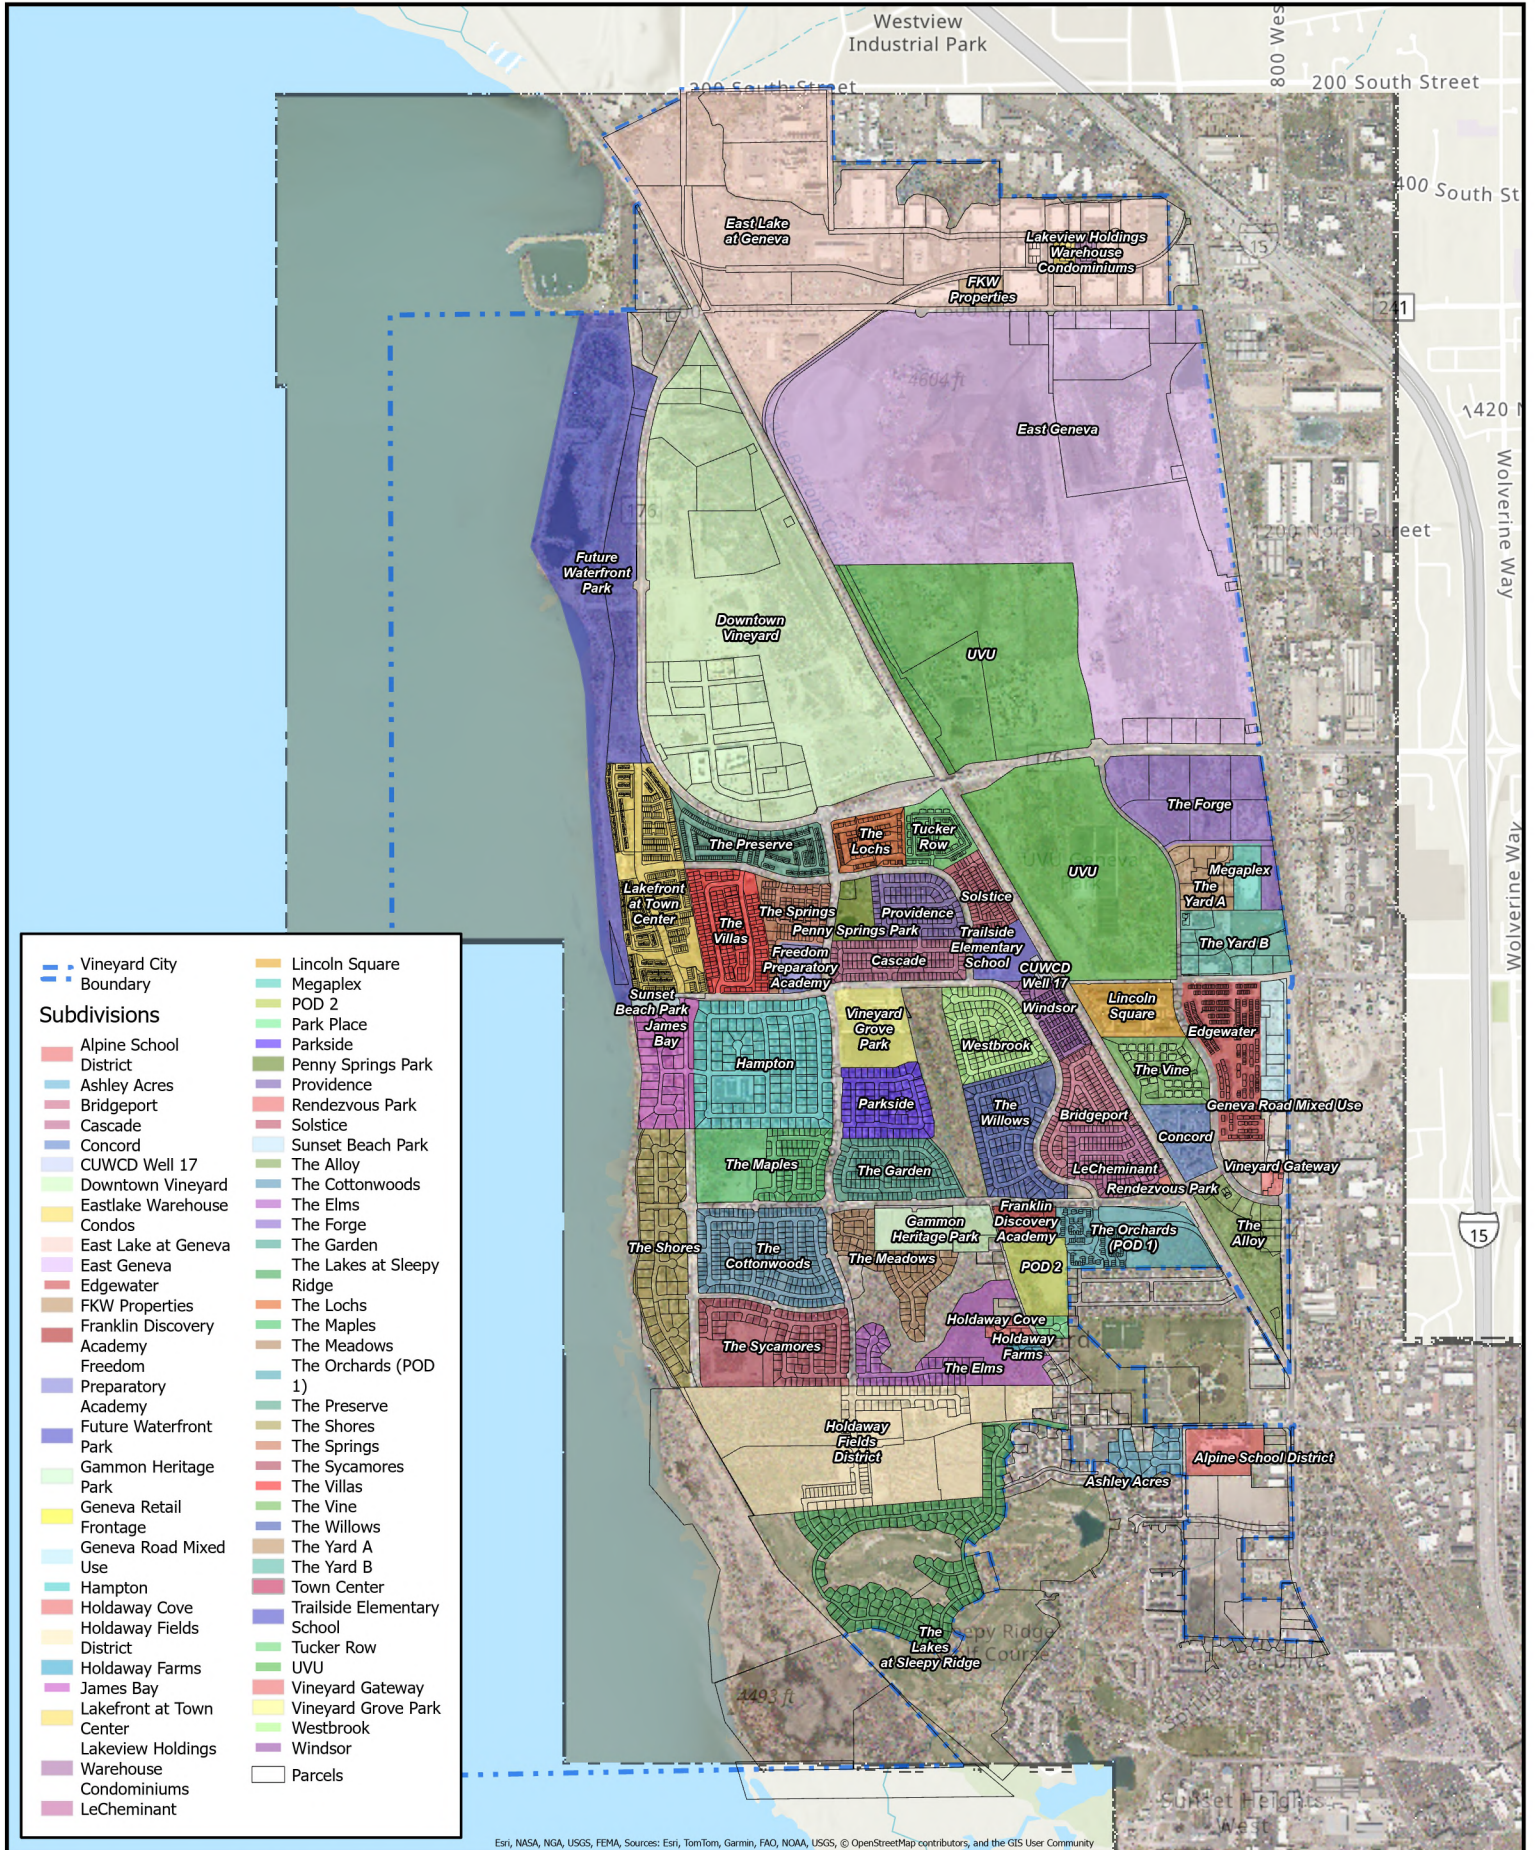

ADOPTED this ___ day of _____, 2026.
