VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: July 14, 2026

Agenda Item: Utah County Mosquito Abatement Program Presentation (Jason Bird, Utah County) 15 mins

Department: Public Works

Presenter: Jason Bird

Background/Discussion:

The Utah County Health Department Mosquito Abatement Program provides mosquito surveillance, monitoring, larval control, and adult mosquito control services throughout Utah County, including Vineyard City.

Each year, the program conducts mosquito trapping and population monitoring to identify mosquito activity levels and determine when treatment is necessary. Treatment decisions are based on scientific thresholds, surveillance data, environmental conditions, and applicable pesticide label requirements.

The presentation provides the City Council and residents with an overview of the County's mosquito abatement program, current mosquito-season conditions, emerging technologies, and ongoing efforts to protect public health while minimizing impacts on the environment.

VINEYARD CITY COUNCIL STAFF REPORT

Meeting Date: July 14, 2026

Agenda Item: Acceptance of the West Rail Trail from Utah County

Department: Public Works

Presenter: Naseem Ghandour

Background/Discussion:

Consideration and possible action by resolution (**Attachment 1**) to accept three Quit Claim Deeds from Utah County conveying approximately 1.632 acres of public trail property to Vineyard City. Approval will authorize the Mayor to execute the associated documents necessary to complete the property transfer.

Utah County has requested that Vineyard City accept ownership of three parcels of existing public trail property by Quit Claim Deeds (**Attachment 2**). The parcels, identified in the attached deeds and right-of-way exhibits (**Attachment 3**), total approximately 1.632 acres and are part of Vineyard City's existing public trail system. Vineyard City has maintained these trail segments and intends to continue maintaining them following the transfer of ownership. Acceptance of the deeds will formally transfer ownership from Utah County to Vineyard City.

The proposed transfer aligns ownership with the City's existing maintenance responsibilities. Because Vineyard City already operates and maintains these trail segments, the transfer is not expected to significantly increase ongoing maintenance costs. The attached Quit Claim Deeds and Public Entity Affidavits document the conveyance, while the attached exhibits depict the location and extent of the parcels being transferred.

Fiscal Impact:

The property is being conveyed for nominal consideration (\$10.00).

No significant fiscal impact is anticipated beyond the City's existing trail maintenance responsibilities.

Recommendation:

Staff recommends that the City Council accept the three Quit Claim Deeds from Utah County and authorize the Mayor to execute the associated Public Entity Affidavits and related documents.

Sample Motion:

"I move to approve the acceptance of the Quit Claim Deeds from Utah County, authorize the Mayor or Designee, to execute the associated Public Entity Affidavits and related documents.

RESOLUTION 2026-32

A RESOLUTION OF THE CITY COUNCIL OF VINEYARD CITY, UTAH,
ACCEPTING THREE QUIT CLAIM DEEDS FROM UTAH COUNTY CONVEYING
PUBLIC TRAIL PROPERTY TO VINEYARD CITY, AUTHORIZING THE MAYOR TO
EXECUTE ASSOCIATED DOCUMENTS, AND PROVIDING FOR AN EFFECTIVE
DATE.

WHEREAS, Utah County is the owner of certain real property located within Vineyard City that is currently used as part of the City's public trail system; and

WHEREAS, Utah County has offered to convey three parcels of public trail property, totaling approximately 1.632 acres (71,126 square feet), to Vineyard City by Quit Claim Deed, as more particularly described in the attached deeds and exhibits; and

WHEREAS, Vineyard City has maintained these trail segments and desires to accept ownership so that ownership and maintenance responsibilities are aligned; and

WHEREAS, The City Council finds that acceptance of the property is in the best interest of Vineyard City and its residents.

NOW, THEREFORE, BE IT RESOLVED by the City Council of Vineyard City, Utah,
as follows:

Section 1. Acceptance of Property. The City Council hereby accepts the conveyance of the three parcels of real property described in the attached Quit Claim Deeds from Utah County to Vineyard City.

Section 2. Authorization. The Mayor, or Designee, is authorized to execute the Public Entity Affidavits and any additional documents necessary to complete the conveyance and acceptance of the property.

Section 3. Effective Date. This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED by the Vineyard City Council this 14th day of July, 2026.

This Resolution shall become effective immediately upon its approval by the City Council.

Passed and dated this ____ day of _____, 2026.

RESOLUTION NO. 2026-31

A RESOLUTION OF THE VINEYARD CITY COUNCIL ADOPTING A POLICY FOR THE DISPOSAL OF INSIGNIFICANT MUNICIPAL REAL PROPERTY AND THE RESOLUTION OF PRE-2020 RIGHT-OF-WAY ENCROACHMENTS PURSUANT TO UTAH CODE ANN. § 10-8-2.

WHEREAS, Vineyard City ("the City") owns real property, including various public rights-of-way, public utility easements, and surplus remnants acquired over time during the city's transition from a rural to an urbanized community; and

WHEREAS, from time to time, the City discovers legacy or historical encroachments where fences, secondary structures, or improved landscaping belonging to adjacent private landowners extend into City-owned right-of-way or property; and

WHEREAS, many of these technical encroachments occurred prior to January 1, 2020, during earlier phases of local subdivision development; and

WHEREAS, Utah Code Ann. § 10-8-2(4) mandates that a municipality may not dispose of a "significant parcel of real property" without first providing public notice and holding a public hearing, but allows municipalities the legislative authority to define what constitutes an *insignificant* parcel exempt from such multi-week procedural requirements; and

WHEREAS, the Vineyard City Council finds that reducing administrative burdens for minor property line adjustments involving land with an underlying value of less than \$20,000 and an area under 300 square feet serves the public interest when such adjustments resolve existing encroachments and provide a mutual benefit to both the City and adjacent property owners; and

WHEREAS, the City Council desires to establish a clear policy granting itself legislative discretion to evaluate and resolve these minor encroachments on a case-by-case basis while maintaining strict compliance with the Utah Constitution's limits on the lending of public credit by utilizing cost-benefit offsets and intangible value considerations.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF VINEYARD, UTAH AS FOLLOWS:

SECTION 1: Adoption.

The Vineyard City Council hereby adopts the *"Insignificant Land Disposal and Encroachment Resolution Policy,"* attached hereto as Exhibit "A" and incorporated by this reference.

SECTION 2: Definition of Insignificant Property.

Pursuant to Utah Code Ann. § 10-8-2(4), the City Council formally defines an "Insignificant Parcel" as any municipal real property interest, right-of-way remnant, or portion thereof that has a fair market value of less than \$20,000, is independently unbuildable, under 300 square feet in size, does not serve any transportation benefit, and possesses no distinct operational utility to Vineyard City.

SECTION 3: Legislative Findings Required.

In exercising its discretion to adjust disposal costs or accept intangible value as consideration for an insignificant parcel, the City Council shall make explicit findings on the record during a public meeting identifying the public benefits, shifted liabilities, or administrative savings achieved by the transfer.

SECTION 4: Severability.

If any section, clause, or provision of this Resolution or the associated policy is declared invalid by a court of competent jurisdiction, the remaining portions shall remain in full force and effect.

SECTION 5: Effective Date.

This Resolution shall take effect immediately upon its passage.

PASSED AND ADOPTED by the City Council of Vineyard, Utah, this 14 day of July, 2026.

EXHIBIT "A"

INSIGNIFICANT LAND DISPOSAL AND ENCROACHMENT RESOLUTION POLICY

I. Application and Eligibility

This policy applies exclusively to applications by adjacent private primary-residential property owners seeking to quiet title or purchase City-owned property fragments where an encroachment exists. To qualify for Council cost-discretion under this policy, the applicant must demonstrate to the satisfaction of City Staff and the City Council that:

1. The real property asset value is less than \$20,000 as determined by internal data or a licensed appraisal.
2. The real property asset value is less than 300 square feet in size as determined by internal data or a licensed appraisal.
3. The encroachment physically occurred prior to January 1, 2020, or represent contiguous parcels that impact a single adjacent property line at the time when a request for a contiguous pre-2020 property is being addressed.
4. The encroachment resulted from a good-faith mistake or was inherited by the current property owner.

Meeting eligibility does not create a right to the purchase or conveyance of property and remains subject to approval by the governing body.

II. Cost Considerations

In determining the final financial consideration required from the applicant, the City Council may, in its legislative discretion, discount the baseline cash purchase price by formally crediting the following factors:

- **Shifted Liability:** Financial credit given for the permanent elimination of City maintenance liabilities, including weed control, stormwater drainage risks, or public safety monitoring.
- **Intangible Public Benefit:** Financial credit given for the resolution of legacy boundary disputes, avoidance of potential quiet-title litigation costs, or the formalization of long-standing residential boundaries that bring the neighborhoods into consistent alignment.
- **Administrative Floor:** The applicant shall bear all direct third-party transactional costs incurred by the City, including survey validation, legal review, and recording fees. The applicant may bear any staff costs at the discretion of the council.

III. Reservation of Rights and Easements

No disposal of any right-of-way segment under this policy shall be finalized without a comprehensive utility review. If active or future culinary water, secondary water, sewer, stormwater, or third-party franchise utility corridors exist within the footprint, Vineyard City **shall reserve a perpetual Public Utility Easement (PUE)** across the conveyed footprint as a condition of deed transfer.

IV. Approval

All findings shall receive a staff recommendation and be reviewed in an Open Public Meeting for approval or denial by the city council. Applications may receive a partial reduction in Shifted Liability or Intangible Public Benefit approval as determined by the governing body. As each situation is unique, approval of one application shall not establish a precedence or automated approval or consideration of additional applications. Upon approval of the application, and prior to the disposition of public property, Vineyard City shall comply with Utah Code Ann. § 11-1-203(3) for 14 consecutive days.
